

TEAMS ARE FORMING SIGN UP NOW!

Table Tennis is one of the fastest growing sports in USA. Become part of this exciting program where schools will compete against other schools and become part of the organized sport.

Our vision is to have hundreds of schools competing in Southern California in Elementary, Junior High and High School competition. This vision will create the demand for colleges to offer scholarships for table tennis players, and will help juniors who started their school's program to build a winning resume.

Our **mission** is promoting and encouraging the playing and enjoyment of Table Tennis for all ages, abilities, and backgrounds for the school community.

World Junior Table Tennis Championship at Stanford University, California - December 2007
